SOURCE:

CLASSIFIED AS PRELIMINARY
DISSEMINATION NUMBERED

25X1

Only three MiG-15's were observed on Welzow Airfield on 29 April. Revetments and parking lots were empty and no flying activity was noticed. The Token radar set was still there. Billeting equipment had apparently been hauled by trucks toward Gottbus.

Comment. It is possible that the regiment is only temporarily absent from Welzow. No other evidence has been received confirming the departure of the regiment.
